

IT'S TIME TO GO PLASTIC-FREE

Our plastic-free cutlery is **made to be unmade**.

Made from renewable birch wood, our cutlery is sustainably-sourced, **biodegradable** and **home compostable**. And as they're wrapped in kraft paper - **not plastic** - the packaging can be recycled after use.

It is the natural and better choice to reduce single-use plastics.

EXTENSIVE SOLUTIONS FOR ALL CATERING NEEDS

A wide variety of pack combinations are available to suit all food service requirements. The clean, smooth design makes this cutlery attractive and comfortable to use. It is also durable and suitable for hot and cold foods.

Individual Cutlery Pieces also available : sharp knives, forks, teaspoons, ice-cream spoons, stirrers and chopsticks.
